

We Are The World

There comes a time
When we heed a certain call
And the world can come together as one
There are people trying
It's time to lend a hand
For Scouts can make the world seem small

We can go on...hoping ev-ry day
That soon, someone will make a change
We are all a part...of B - P's family
The truth, is Scouting's what we need

We are the world
We are the children
We are the ones who make a brighter day
So let's start living
It's a choice we're making
Were saving all our lives
It's true we'll make a better day, just you and me

Join us today
So we'll make another friend
And then the journey has begun
Yes we made a promise
To do our very best
And now, its time to spread the word

We are the world
We are the children
We are the ones who make a brighter day
So let's start living
It's a choice we're making
Were saving all our lives
It's true we'll make a better day, just you and me
